IV. **** HEAD COACHES:** in addition to steps I thru III, anyone volunteering to be a head coach in the CYC program (K-8th grade), **must** attend, free of charge, the one time CYC Coaches' Training Program, "Coaching to Make a Positive Difference". Several days after attending this training program you will be issued (sent to your home address) a Head Coach's ID card with a **COACH'S ID NUMBER**. ****** See note below for more details. Head Coach's ID cards must be present for all games.

V. **ASSISTANT COACHES:** in addition to steps I thru III, anyone volunteering to be an assistant coach in the CYC program (K-12th) must have a photo ID Card. Assistant Coach's ID cards must be present for all games. There are three ways for an assistant coach to get his/her CYC Photo ID Card:

VERY IMPORTANT DETAILS FOR THE HEAD COACHES' ID CARDS:

**** All Head Coaches and assistants who attend and complete the coaches' training ("Coaching to make a Positive Difference") will be asked to email a "head shot" (picture of yourself), directly to Amy Ceriotti at: amyceriotti@archstl.org. Amy will take your completed paperwork from the training, marry your picture with your basic information to create your new CYC ID card, verify that you have attended "Protecting God's Children" and then mail your new coach's ID Card directly to your home. Please allow approximately ten days from the time she receives your "head shot".**

Please Note - The cost to replace a lost Coaches' ID Card will be \$5.00
